Summary

Council is required to prepare a Council Plan and Budget by 31 August 2017, and a Municipal Public Health and Wellbeing Plan by 29 October 2017. A proposed Council Plan (incorporating a proposed Municipal Public Health and Wellbeing Plan), titled 'Shaping a better Bass Coast – Responding to what we heard' has been prepared. The proposed Council Plan was approved by Council Resolution 26 April 2017 to be released for public consultation.

The proposed 2017/2018 Annual Budget was also approved by Council Resolution 26 April 2017 to be released for public consultation. The proposed budget provides for an average increase in general rates of 2% consistent with the State Government imposed rate cap for 2017/18. The budget retains alignment with the Long Term Financial Plan and continues the refocusing of finances from the delivery of day to day services to investing in the future of the Shire through capital upgrades and renewal of its existing infrastructure base.

Council gave public notice of the proposed 2017-2021 Council Plan (incorporating the proposed Municipal Public Health and Wellbeing Plan) and proposed 2017/18 Budget in accordance with the Local Government Act 1989. Weekly advertisements were placed in the South Gippsland Sentinel-Times and the Phillip Island & San Remo Advertiser from the week beginning 1 May 2017 through to and including the week beginning 22 May 2017.

The proposed Council Plan and Budget were made available for inspection and members of the public have had the opportunity to make written submissions under Section 223 of the *Local Government Act 1989*. The proposed Council Plan and Budget were open for submissions from 2 May 2017 until 5.00 p.m. 30 May, 2017.

Council has received 23 written submissions – full copies of which have been distributed to Councillors. Copies of the submissions received are attached to this report.
