

Council Meeting 20 May 2020

The next Ordinary Meeting of Council will be held on Wednesday, 20 May 2020 at 11am. In the current COVID-19 environment, the meeting will be virtual for the health and safety of our community, Councillors and staff. This will also be the first live-streamed meeting, which ensures the meeting remains open to the public. This monthly Meeting is a formal decision-making forum for Council. At the beginning of this Meeting, there shall be public question time. At this stage, the forum will not provide the opportunity for submitters to ask their questions directly. Questions must be submitted in writing prior to the Meeting and questions and responses will be published in the minutes. For more details on question time, please visit <https://www.basscoast.vic.gov.au/about-council/council-meetings-information>

A link to access the live stream will be available on Council's website on the Council Meetings Page. <https://www.basscoast.vic.gov.au/2020meetings>
