Important: Relocatable swimming pools and spas require their safety barrier to have an inspection completed and a Certificate of Pool and Spa Barrier Compliance (Form 23) to be submitted to Council <u>within 30 days of registration</u>	

A relocatable pool or spa can be considered as:

- A structure that is up for a short period of time.
- Is not in place for a prolonged timeframe. i.e. used during the warmer seasons, particularly during summer holidays, such as Christmas.
- Does not consist of multiple components requiring assembly. i.e. inflatable pool that requires inflation only.
- Easy to assemble and disassemble.

Above ground pools and portable spas that are permanently in place are not considered to be relocatable.

Is there any other building work that has altered or resulted in changes to the barrier since the swimming pool or spa was constructed or erected?
<input type="checkbox"/> Yes (if yes, please attach details and copies of any relevant building permit or other documentation)
<input type="checkbox"/> No
