------------	--

### Other Information:

A Road Occupation Permit is required for any new connections to Council's Drainage Network and any work within road reserves.

### Drainage Location Information:

**Bass Coast Shire Council plans or details give only an approximate location of Council's drainage network and are a general guide only. Council will not be liable for any costs incurred with directing the owner or his/her representative to an alternative point of discharge if required. The contractor shall physically locate the drain prior to the start of drainage works to ascertain the point of discharge is as indicated on the attached plan.** Enquiries about plans and details should be made to the Drainage Assets Officer. Council has the right to recover compensation for loss or damage to its drainage network and Council property proven to be caused in any works undertaken.

All works shall be undertaken in accordance with AS3500.3.1-1998 & AS 3500.5-2000
