

May 2017

A letter was sent to the property owners of Pioneer Bay outlining the results of the recent questionnaire.

As at 1 May 2017, Council had received a number of questionnaires. Of the 228 properties in the estate, 96 property owners responded to the questionnaire. The results are:

Concept Option	Preferred option
Design 1	53
Design 2	11
Design 3	9
Design 4	11
Total	84

Of the 96 property owners that responded to the questionnaire, 12 property owners chose not to select an option and in turn chose to only provide comments regarding the upgrade. Most of these comments related to their objection to any proposed upgrade to the estate. Additional comments received within the questionnaires related to having no footpaths in the estate and also about removing the roundabout at the Kallay Drive and Beach Boulevard intersection.

Council officers will be presenting a report to Council at the next Ordinary Meeting on **Wednesday, 21 June 2017 at Inverloch Community Hub at 5.00pm**. The purpose of this report is to adopt one of the concept design options. Please note that Council will not be making a decision surrounding whether this project should or should not proceed at this meeting. This will happen at a later meeting of Council.
