The following information and documents are essential for completing the enrolment. Please gather this information before you start:

- Medicare number (copy of card)
- Birth certificate (copy of document)
- Doctor/Medical Service (address & phone number)
- Ambulance Membership
- Immunisation History Statement (copy of the statement from MyGov/Medicare)
- Concession Card (Health / Pension) (copy of card)
- Court Orders (copy of document)
- Medical Management Plans (copy of document)

Enrolment cannot be confirmed until immunisation documentation has been received, assessed, and found acceptable by the service under the No Jab No Play law.

Failure to complete the YMCA enrolment correctly, may delay your position being confirmed.

Note: When completing our enrolment pages, we suggest that you complete on google chrome if possible and on an iPad, computer etc as sometimes, attempting to complete on a mobile it is found to be a little difficult. But if you do, perhaps turn it on its side to give a wider view of the screen. We ask that all questions be answered, and attachments are attached while remembering that it is the Medicare Immunisation History Statement that is required. At the last section of the form under **Conditions of Enrolment**, there is a scroll bar on the right to enable you to answer the whole 13 points.

When finished, press submit and if completed correctly, on the top right-hand corner you will receive a message advising so, or if not, a message to say what has been missed. Once submitted correctly, you will also receive an onscreen confirmation.

If you do not receive a confirmation message, please make contact for assistance, 03 4311 1500.

We look forward to welcoming your child in 2022.
