Dear Sir/Madam

**APPLICATION FOR A PLANNING PERMIT
R & D KILPATRICK – 19 HILLSIDE AVENUE INVERLOCH
APPLICATION TO VARY A RESTRICTIVE COVENANT**

On behalf of our clients, Roger and Debbie Kilpatrick, we wish to make application to vary the restrictive covenant from the above land.

We propose to remove the restriction contained within transfer D754419 over that part of the land shown hatched on the attached plan. Should a permit be granted to vary this restriction, it is intended to apply to subdivide the land into two lots.

In support of our application, please find enclosed a completed application for planning permit form, a list of the beneficiaries, a copy of the title and covenant, a proposed plan for the variation of the restriction and Council's planning fee of \$1,318.10.

Should you require any additional information, please do not hesitate to contact me.

Yours faithfully
BEVERIDGE WILLIAMS
